

## NCEMGVA 2022 Inspire Connect Empower Project Grant Recipient

**Cabarrus County:** Submitted by A. Ashworth and D. Browning

**Project Title:** Greenhouse

**Category:** Startup **Funding:** \$500

**Description:** The Cabarrus County Master Gardeners have worked hard to make a greenhouse a reality on their Extension site. The greenhouse will be a means of educating ourselves and the public, as well as a resource to raise plants that we can ultimately sell to raise funds in support of our Master Gardener Program. The funds from this grant will allow us to equip the greenhouse with planting tables, a non-slip floor runner, and a watering system that will provide consistent irrigation resulting in healthier plants.
